

“Beautiful Brides” Hankies of Love April 17, 2010

Guidelines

We want to honor the Ministers' Widows of Eastern North Carolina. We are giving the Girls Ministries of ENC an opportunity to connect with another generation. . . with precious sisters that have paved the way for us in ministry.

The Ministers' Widows of Eastern North Carolina have received an invitation to come to the Bridal Luncheon at the Jamboree. Each club or age group is asked to donate a beautiful handkerchief to be given to the Ministers' Widows. If the ladies are unable to attend, the handkerchief will be mailed to them. We have approximately 50 widows, so this is only possible if everyone participates.

Each church may bring more than one handkerchief. **We ask that each club or age group donate at least one.**

As a group, anoint and pray over each handkerchief. Pray for all of the Ministers' Widows of ENC. Pray for good health, strength, provision, protection, encouragement, and friendship. Pray blessings and favor over each lady. Pray for a renewed anointing.

Bring your handkerchief to the registration table on Saturday morning. A card will be attached with the givers name, church, and club.
