

## OPERATION COMPASSION HAITI RELIEF

The Cary Church of God, who is serving as an authorized Operation Compassion Haiti Relief Donation Center for Eastern North Carolina, reports that a number of churches have already been heard from concerning their intention to make donations. It would be very helpful for them in their planning and budgeting to hear from you if you intend to contribute. You can contact Joanne Tau at [jtau@carycog.com](mailto:jtau@carycog.com) or you can call her at 919 439-0805. The church address is 107 Quade Drive, Cary, NC. Please consider helping with this project. The need is great and the opportunity is great to bring glory to the name of our Lord Jesus Christ. Alone we can't meet the need, but together we can.

Operation Compassion and their partners have already helped send more than 35 containers of disaster relief goods and supplies for immediate distribution. They were delivered just prior to or following the earthquake. More than 50 containers are processed and en route to Haiti. In addition another 600+ containers have been secured that will be delivered during the next 12 months, including building supplies for the recovery and rebuilding phase.

### **Your Donations are needed and secure with Operation Compassion**

More than \$99 out of every \$100 donated going directly to the field.

Operation Compassion listed in the top 100 Charities by Chronicle of Philanthropy.

Operation Compassion listed in the Top 3 Most Efficient Charities by Forbes.com.
