I am excited to let you know that I will be joining a team of others in my State to participate in Orphan Run 4 Hope to raise funds for Orphan Children overseas through the Orphan Run 4 Hope Project. All funds donated will help provide food for over 50 Orphanages in 27 Countries. All contributions are also tax-deductible. Every $20 raised feeds an Orphan Child for an entire month!

My personal goal is to find 12 people who will help sponsor me at least $20 each. If I reach this total goal of $240, it will feed an Orphan Child for an Entire Year! Would you please help me in this worthy cause?
