SILENT AUCTION

The Silent Auction at our 2023 Women's Conference was a big success! We had an abundance of beautiful baskets. I sincerely thank every church/person that participated by donating a basket or buying one. We raised over \$5,000.00 for the Church of God Children's Home. We are asking you again this year to prepare a basket or baskets for our 2024 conference. The monies raised from the baskets this year will go toward a new Home Missions project. Construction for a playground will begin in early Spring, I am asking the ladies of ENC to join with the Youth Department to help raise the funds for this project. It is our plan to have this playground fully completed by the Youth Camp Season. I have listed below several options for a basket, or just use your imagination and create your own theme. When you arrive at the Women's Conference on March 15th, please turn your basket in at Registration.

UKRAINE: THE JOURNEY HOME

WWAM 2022-2024 PROJECT #020-8203

We need your help!

On February 22, 2022, the invasion of Ukraine separated families and displaced thousands of orphans.

When these children left their homes in the middle of the night, they were filled with all the things that war brings to your heart. They didn't know if they would even survive, but in spite of the fear, they have learned to trust in God and to hold tenaciously to His hands.

We are told that there are some 100,000 orphans in need in Ukraine. While we cannot help all of them, we must do our part. With your help, we will rebuild lives, reestablish families, and provide transportation, clothing and food that will sustain these children in their journey home.

Your gifts will be used to build and rebuild adequate facilities and housing that will provide safety, protection, education and Christian development for these children.

“Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself being polluted by the world.”
