

ABOUT CAMP

For the past 50 years, youth camp has been vital to the Church of God International Youth Department. Youth camps are operated independently by each state or region in the Church of God. It is a time when students from all walks of life can join together for a week of fun and ministry. Eastern North Carolina Church of God youth camps are operated by the ENC Church of God Executive Offices located in Kenly, under the direct supervision of the State Youth and Discipleship Director and the State Youth and Discipleship Board. There are currently three consecutive weeks of youth camp: high school, middle school, and kids. The goal is to minister to the emotional, developmental, and spiritual needs of the campers each week by offering an organized daily schedule filled with fun and games, various sports activities, small group Bible studies, daily corporate worship services, meals and concessions, and opportunities for connecting with leaders and other students. It is our prayer and desire that during youth camp students experience God in a very real, life-changing way and are baptized with the Holy Spirit, empowering them to live boldly for Jesus Christ.
