

EPIC ADVENTURE RUN AT ENC YOUTH CAMP

ENC High School & Middle School Youth Camp will be participating in an “EPIC ADVENTURE RUN” to raise funds for the 2024 YWEA Project (www.enccog.org/ywea) <<**MORE INFO**

This event is important because the region of the substantial needs throughout Australia, Fiji and New Zealand. In Australia, church doors are being closed, buildings are being sold and the Gospel is being preached less due to a decrease in the Christian population. The Church of God desires to build a thriving, multicultural church right in the heart of Sydney.

New Zealand is facing a major epidemic of suicide in its teenage and young adult population and has one of the highest adolescent suicide rates in the entire world. This is due to mental illness, cultural identity, family violence, abuse, poverty and especially a lack of resources available to the public. The Church of God desires to establish a Crisis Care & Ministry Training Center that is staffed with properly trained counseling professionals in Papakaio, New Zealand.

The island of Fiji is filled with many opportunities to serve the needs of children and their families. The mortality rate in children under five years old is nearly 20%. Due to Fiji being a developing country, the most basic needs of life such as education, food and proper care aren't readily available. The Church of God desires to make an eternal difference by pursuing poverty-stricken children and providing the resources to help them navigate through life.

Our overall goal for this year is \$200,000. For as little as \$10 a week, your church can change the world! Participants can start fundraising now by using the hard copy fundraising form and bringing their donations to Camp. Also, at Camp, each Cabin will be fundraising electronically as they compete against other Cabins.

Get involved in this exciting event and help us to Restore Hope & Reclaim Lives!

I'm excited to let you know that at ENC YOUTH CAMP, my Cabin will be participating in the "EPIC ADVENTURE RUN" to raise funds for YWEA 2024! All funds donated will help Restore Hope & Reclaim Lives in Australia, New Zealand and Fiji. All contributions are also tax-deductible. For as little as \$10 a week, we can change the world! My goal is to find 12 people who will help sponsor me at least \$20 each. Would you please help me in this worthy cause?
